

# Sustainability Update 2026

## Our Goals

### EMISSIONS REDUCTION

- Net Zero by 2050 with a 50% reduction in Scope 1 & 2 emissions by 2030

### PACKAGING & WASTE REDUCTION

- 100% of packaging sourced by Portion Solutions designed for recyclability by 2030

### RESPONSIBLE SOURCING

- Advocate social and environmental concerns in our supply chains.
